General Information

SkyPark is a multi-level parking facility offering secure, monitored parking across four zones (A, B, C, D) and five floors. The facility supports Cars, Motorcycles, Electric Vehicles (EV), and reserved Disabled-access spaces.

Each zone is equipped with CCTV surveillance, emergency call points, and well-lit walkways. EV zones are additionally equipped with charging points at every EV-designated spot.

Lost and Found

For lost items, contact the front desk at the main entrance (Zone A, Ground Floor) or email support@skypark-parking.example.
